St. Louis Society for the Blind and Visually Impaired

Since 1911 the Society has been enhancing independence, empowering individuals and enriching the lives of people who are visually impaired or blind.

It is our goal to reach diverse and underserved populations of the blind and visually impaired.
To increase awareness of products and services to the minority blind community.
To ensure equity and inclusion for all ethnicities.

Computer Giveaway

Register for your chance to receive a **FREE COMPUTER**

Hello St. Louis families!

Don't have a working computer at home? **We're here to help!**

Compudopt's goal is to make sure **all families** have the access they need to thrive in today's digital world. That's why we are a non-profit organization dedicated to providing computers and free or low cost internet solutions to families who need them.

Compudopt treats the security of our users' private information as our number one priority, that's why we will never sell your data and instead only use it to help you better access the digital tools, connectivity, and support you've requested. No purchase necessary and no age restriction to participate. Compudopt is not responsible for any lost, stolen, or personally-damaged devices. Device recipients will be determined by the selected Community Direct Organization(s). The devices will be provided on a first-come, first-served basis while supplies last. Compudopt reserves the right to modify or cancel the event for any reason. See event staff for full terms and conditions.

To qualify for the computer giveaway, you must not currently own a working computer at home. **Computers come with a 2-year warranty and free tech support!**

Scan the QR code or visit compudopt.org/st.louis to register! Families are randomly selected and will be notified via text and email if selected.
